I would like to offer you an opportunity to taste one of the hottest new trends in the exploding Health and Wellness Industry....Mona Vie, an exquisite health drink featuring the Acai berry and 18 other fruits.

Mona Vie delivers powerful antioxidants and phytonutrients to help fight free radicals and maintain your body's overall health, as a approximately 13 servings of fruit and vegetables per day.

Enhance your body's joint health with Mona Vie Active,

This advanced formula features the added benefit of plant-derived glucosamine, which has been scientifically shown to promote healthy joint function by targeting mobility and flexibility. Designed to support joint performance and recovery.

Watching your cholesterol? Mona Vie Pulse.

Nutritionally supports your cardiovascular system, with added heart health benefits derived from plant sterols (which studies suggest play a key factor in lowering

cholesterol), resveratrol, and omega 3 fatty -acids, maintaining existing healthy cholesterol levels has never been easier.

Some benefits of the Acai berry and Mona Vie are:

- *Boosts energy levels
- *Promotes sound sleep
- *Alleviates diabetes
