PREMIER HSFC 300 Wilson Avenue Newark, NJ 07105 Attention: Jeff Allen

PREMIER HSFC is proud to announce the acquisition of a new 90 ton Hydraulic Truck Crane to our equipment fleet. With configurations for up to 230 feet of boom and offset extension options, as well as various counterweight packages, this crane adds a dimension of versatility unmatched in its class. Daily, weekly and monthly rentals are available. Also available is our proven Flatbed Truck Service and we now offer Low-Boy Trailer Service to handle all your equipment moving and material delivery needs.

Another addition to our company is former Senior Operator at Benish Crane Service, Jeff Allen. With over 25 years experience in the crane industry, Jeff has been brought in to oversee our Crane and Rigging Division. His commitment to safety and professionalism are paramount to Premier HSFC. Jeff is a fully licensed Crane Operator in New Jersey and Certified by the National Commission for the Certification of Crane Operators (NCCCO) to run Large and Small Hydraulic Cranes, Convention Cranes, both tracked and truck mounted and Tower Cranes. He is also one of the first in the state to be Certified as a "Signal-person".

- Jeff is also accredited by NCCCO as a practical examiner in all these categories.
- In addition to these qualifications, he is licensed by the State of New York to run hydraulic cranes and is already in compliance for the upcoming Pennsylvania licensing laws.
 Jeff is also a trainer for crane operation, safety and inspection.

PREMIER HSFC is always trying to increase the level of service we provide to our customers and know these additions will move us in the right direction.
