How Our Flat-Rate, Unlimited-Use 4-IN-1 Advertising Service Offers You The Best Deal For Your Marketing

4-in-1 Mobile Advertising Service that provides you a multi-channel delivery of your advertising via: (1) our iPhone App, (2) the Mobile Web, (3) the Regular Web, and (4) via SMS Text Message — making

our service the fastest, most comprehensive, and most cost-effective tool for the distribution of your marketing messages to cell phones, smartphones, connected mobile devices, desktops, laptops, netbooks, and iPads.

[Want to Revolutionize Advertising? There's an App for That.](#)

EDITOR'S NOTE: THIS ARTICLE WAS NOT DATED BUT PROBABLY GOES BACK TO LAST FALL. When Steve Jobs announced that Apple has sold 30 million iPhones worldwide, Madison Avenue's ears must have been ringing. [Total iPhones Sold Worldwide as of April 2010: 50 million.]

(1) LOW-COST, WIDE-REACH ADVERTISING

By using our mobile advertising service, you can promote your business and reach over 250 million mobile phone users in the U.S. alone. You can send promotional offers, sales invitations, special announcements, notices, reminders - anytime you want, and as often as you want.

(2) YOUR AD MESSAGES GET DELIVERED 4 WAYS

Our exclusive 4-in-1 mobile advertising service enables consumers to receive your marketing messages FOUR ways, via an iPhone App, the Mobile Web, the Regular Web, and via SMS Text Message — making your marketing messages ALWAYS AVAILABLE to consumers - anywhere, anytime - at home, at work, and when they're on-the-go.

(3) UNLIMITED MESSAGES, UNLIMITED CUSTOMERS

You can create UNLIMITED campaigns under your ONE Account. You can change, update, or modify your promotional messages any time you want, as often as you want, including sending UNLIMITED advertising alerts via SMS text message.

(4) YOUR ADVERTISERS CAN HAVE UNLIMITED SUBSCRIBERS

There is NO LIMIT to the number of people who can sign-up under each advertiser. Your mobile advertising service will enable your advertisers to have an UNLIMITED number of Subscribers to whom they can broadcast their advertising text messages

(5) IPHONE APP: ATTRACT UPSCALE CUSTOMERS

Through our iPhone App, you can easily target savvy consumers who have higher spending capabilities and very desirable spending habits, the type of consumers you want for your business.

(6) MOBILE WEB: REACH A GROWING AUDIENCE

Through our Mobile Web Adsite, we target smartphone users, a growing segment of the market who browse the Web via their mobile devices. These mobile users are savvy consumers you don't want to ignore and leave alone to your competition.

(7) EXPANDED EXPOSURE

Our Mobile Advertising Service has gone beyond mobile telephonic devices in order to provide you expanded coverage and reach on-the-go savvy consumers who use laptops, netbooks and the new iPads, whether

8) SMS: CHOOSE YOUR OWN CUSTOM KEYWORD

When you order our mobile advertising service, you will be able to choose your own unique **KEYWORD** instead of a generic or a randomly chosen one. Your **Keyword** is a critical component of your mobile campaign, as it is used to uniquely identify you and enable consumers to specifically subscribe to your mobile campaign via **SMS**.

(9) EASY-TO-USE BACK OFFICE

Our easy-to-use **Advertiser Back-Office** provides you all the tools to manage your advertising, update your messages, upload custom images, and send **SMS** messages any time you want, from any computer with an Internet connection.

(10) PROMOTE YOUR BUSINESS ANYWHERE.

GO Local, Regional, National, even Global. By using our advertising service, you can promote your business anywhere in the U.S. - whether you're a local merchant with a more geographically focused target market, or a brand seeking national exposure. Plus, because of our **iPhone App**, our **Mobile Web** and **Regular Web Adsites**, your message also reaches a global audience.
