

Hi Everyone – I was adopted today, February 5, 2008 from Animal Lifeline which is housed at Marlton Animal Clinic. Penny Flenard who used to babysit Callie when Arlene went away found me for her.

My new name is now “**Saddie**” Litvin. I am very nervous with all the new surroundings – right now I am hiding under her bed. But my mommy told me to just relax and I will get used to everything. I know mommy is nervous too – especially after having Callie for so many years. I know I can never replace Callie – but I will try to love her with all my unconditional love I can and make her happy that she adopted me. Mommy officially made my birthday June 16, 2001. Not really sure when I was born, but when my previous owners left me – they wrote a note on a Superfresh Coupon “Snowbelle” and the coupon expired June 16<sup>th</sup>, 2007. So mommy, thought that was a good date to be my birthday.

Mommy already figured out how to get to me. I LOVE being petted and groomed.

I'll keep you updated as I get used to mommy's beautiful home and all the love she gives me.

In loving memory of "Callie Litvin"

My name is Snowbelle  
and I'm absolutely beautiful. Just look  
at these green eyes and gorgeous long hair.  
I don't know what I did wrong to make  
My family leave me in a carrier on the  
doorstep. I love to<sup>be</sup> pet and talked to.  
I'm living with other cats but I've been  
keeping to myself by sitting on a  
perch. I'd really like my own  
home again.
